

What is a Life Plan Community?

Ohio Living Mount Pleasant is a life plan community; that means our campus was designed to provide residents with the varying levels of care they may need as they continue to age in place. Our community isn't one size fits all – we have options to meet your needs both now and in the future, however that unfolds.

Independent Living

Our ranch, brownstone and apartment homes allow you to fill your calendar with activities and social events, instead of home maintenance. Independent living residents also benefit from having first access to additional levels of care, including home health and hospice, when they are needed.

Ranch Homes

Choose from 142 homes with a one- or two-car garage. No two are exactly alike!
